

**Remarks**

Applicants hereby reply to the final Action mailed March 5, 2007. This response is filed within three months from the mailing date and is therefore timely. Claims 1-13, 15-18, and 21-34 were pending in the application and the Examiner rejected claims 1-13, 15-18, 21-25 and 28-31.

While Applicants do not agree with the Examiner's rejection of claims 1-13, 15-18, 21-25 and 28-31, in the interest of hastening allowance of the pending application, Claims 1-13, 15-18, 21-25 and 28-31 are hereby cancelled without prejudice. Claims 14, 19 and 20 were previously cancelled without prejudice.

The Examiner has indicated that claims 26, 27, and 32-34 are allowed. The Examiner has also indicated that claim 34 is objected to because "the first size" in the penultimate line lacks proper antecedent basis. Applicants have amended claim 34 to provide proper antecedent basis. Allowance of this claim is respectfully requested.

In view of the above remarks and amendment, Applicants respectfully submit that the pending application is in condition for allowance. Accordingly, Applicants respectfully request issuance of the pending claims 26, 27, and 32-34. The Examiner is invited to telephone the undersigned at the Examiner's convenience, if that would help further prosecution of the subject Application.

Respectfully submitted,

By: \_\_\_\_\_
